

COLORADO VALLEY TRANSIT

# #SitSafe

The safety of our passengers is the top priority for Colorado Valley Transit. This is why we're taking extra precautions on each and every route. Please note the following safety procedures presently in effect.

## Disinfecting and Sanitizing Schedule

All buses are thoroughly cleaned before passengers board, and two drivers (per bus) must wear masks, face shields, and gloves at all times.

## Personal Protective Equipment

Drivers and passengers are required to wear face masks, use hand sanitizer, and practice social distancing while on board.

## Social Distancing

Colorado Valley Transit has installed protective shields for primary drivers, while the secondary driver must check to ensure all passengers are wearing masks and properly social distancing on board. Passengers must be seated at least six feet apart from each other.

## More information

Transit service has been reduced and is limited to demand response for those with medical appointments or employees of essential businesses. For more information visit [gotransit.org](http://gotransit.org) or call 979-732-6281.
