

HARRIS COUNTY TRANSIT

#SitSafe

Rides
Specialized Transportation for Harris County

The safety of our passengers is the top priority for Harris County Transit. This is why we're taking extra precautions on each and every route. Please note the following safety procedures presently in effect.

Disinfecting and Sanitizing Schedule

Fares remain suspended for fixed route service. Both programs practice social distancing. Vehicles are deep cleaned at night and touch points throughout the day.

Personal Protective Equipment

All buses have contactless hand sanitizers at all front door entrances and bus drivers wear masks. RIDES contractors are provided individual bottles of hand sanitizer and masks. All passengers are required to wear masks. Drivers have complimentary masks available for passengers who don't have one.

Social Distancing

On buses and taxis, partitions have been installed between the driver and passengers. Shared ride cars and vans are only transporting one client at a time; in addition, vehicles are cleaned after each trip.
